## ABOUT THE TOURNAMENT

The idea for this benefit golf tournament was conceived by a group of friends of Tara, Donny, Kevin and Brian Chambers after learning about the diving accident that Kevin (*left*), suffered in August of 2007. The accident left Kevin a quadriplegic.

Kevin, at just 23 years old understood that his life had changed forever. From August 2007 to January 2008 Kevin was hospitalized at UMass Medical Center in Worcester and at the Spaulding Rehabilitation Hospital in Boston to learn new life skills. As each of you can imagine that was just the beginning of the medical and rehabilitation care Kevin will need as he moves forward. After the family home was renovated to accommodate Kevin's disability, he and his family heard about a program that had boasted some pretty amazing success stories, it's called **Journey Forward** and it's located in Canton. Kevin is attending sessions there a few days a week, and at this early stage of his ongoing rehab the results are promising. His medical insurance, while covering some of his ongoing care, such as PCA's and prescription medication, does not cover specialized equipment or his sessions at Journey Forward, and this is where Kevin continues to need our help!

Please plan to join us on **August 18, 2008** at **Maplegate Country Club** in Bellingham to raise funds for Kevin and his ongoing care. It's a fun day, and it's for a great cause. If you can't join us would you please consider taking out a sponsorship, listed here. For more information please contact, **Jim Binney** at [jbinney@comcast.net](mailto:jbinney@comcast.net), **George Conley** at [geconley@verizon.net](mailto:geconley@verizon.net), or **Dave Knipe** at [kniped@bsci.com](mailto:kniped@bsci.com)

THANK YOU...

Kevin and his family greatly appreciate your support!
